Job Purpose

As a summer camp, Sasamat Outdoor Centre prides itself on creating an engaging and supportive community where children are made to feel included in the camp culture. The supportive nature of the camp allows for campers to try new activities and develop new skills with the help of caring staff members. Sasamat's summer camp and Outdoor Centre is located in beautiful British Columbia

Camp Counselors make up the majority of the Sasamat staff team and are the heart of the summer camp experience for our campers. Overnight Camp Counsellors spend their days, Monday to Friday, with their campers, providing leadership and care in a wide variety of camp activities and skill areas. Skills of a strong counsellor are enthusiasm, creativity, independence, genuine care for others and strong work ethic. All camp counselors should be prepared to support camp as a whole and be prepared to share duties of other areas of camp when needed.

Our team of Overnight Camp Counselor provides care, supervision, and program facilitation for their assigned campers in each weekly session. Overnight camp staff stay overnight at camp from Sunday evening until Friday. Counsellors are given traditional summer camp style lodging. Lodging rotates depending on age of the camper group between a separate room right next to the camper cabin or directly in the camper cabin with our youngest campers.
