Venue Logistics

To make your ceremony and reception as smooth and enjoyable as possible, we will provide you with a Guest Services Coordinator on the day of your main event. The Guest Services Coordinator will act as your "go-to" person for any and all questions or concerns throughout the day. They will also act as a timing liaison between the wedding party and our chefs to ensure food service is prepared and served at the right time.

For the most organized and stress-free event, we recommend having a setup team arrive before most of the other guests - but the timing is your decision. All setup and take down of tables, chairs and decor is done by your organizing team.

For wedding venue decorations, you're welcome to get creative! However, note that all decorations must either use existing hooks/nails or no-residue tape, and that all decorations must be removed by your departure time with no damage left. Also, for safety reasons due to our wooded setting, candles are limited to enclosed-styles such as hurricane lamps, or a vessel where a piece of paper laid on top could not catch fire; taper candles are not permitted.

If you'd like to include dancing as part of your wedding, it is typical that the bride and groom's organizing team will clear half of the tables to provide a dance area for guests. If you're providing your own music we have speakers you can test for your plug-ins. If you will be using a DJ, we can work with you in advance to find their ideal setup location within the Main Lodge.

Please note the local municipal bylaw mandates excessive noise be halted by 10:00pm. We recommend any dancing or loud music be kept inside the Main Lodge after 10:00pm.

Sasamat Outdoor Centre does not provide linens other than tablecloths. You may either advise guests to bring towels and sleeping bags, or rent bedding from an external vendor of your choice.

For overnight packages, all guests and organizers must bring their own bedding. Check out time on Sunday is no later than 4:00pm. For the Rose Single Wedding Package, all guests must depart by 1:00am. For all packages, a late checkout fee of a \$100/hour will be charged if checkout times are not met by all members of your party.

Food & Drink

Our staff will work with you and your planners to ensure you have a menu that compliments your wedding. For each meal, we will provide two main dish options in the buffet. We can provide options for vegetarians, vegans, gluten-free, and any other allergies or dietary restrictions. Food is served buffet style and guests will be responsible for clearing their own plates after the meal, plate service is not available. Note that we are unable to accommodate external caterers.

For the Trillium Weekend Wedding Package, Friday evening snacks, Saturday continental breakfast, Saturday buffet lunch, Saturday buffet reception dinner, and Sunday buffet brunch are included for each guest 4 years of age or older. For the Lily One Night Wedding Package, Saturday buffet lunch, reception dinner and Sunday buffet brunch are included for each guest 4 years of age or older. For the Rose Single Day Wedding Package, a buffet reception dinner is included for each guest 4 years of age or older.

Sample Saturday reception buffet dinner options include:

- Local free range roasted chicken with roast potatoes, seasonal vegetables, salads and dinner buns
- B.C. wild salmon with rice pilaf, seasonal vegetables, salads and dinner buns
- AAA Canadian roast beef with roast potatoes, seasonal vegetables, salads and dinner buns

Sample Sunday brunch buffet options include:

- Frittatas with hash browns, bacon or sausage, and fresh fruit platter
- Cinnamon French toast with fruit compote, whipped cream, bacon or sausage, and fresh fruit platter

Special menu requests not listed above may be accommodated in consultation with the Food Services Manager. Exact menu choices must be confirmed 30 days prior to event, when the balance of payment and final group numbers are due. Note that an Extra Meal Cost of \$54.00 per meal will be applied to any guests in excess of your final booked number.

Wedding Cake

We do not provide specialized wedding cakes. You're welcome to bring a wedding cake from an external provider, but all setup and cutting of the cake will be the responsibility of your organizing team. We do have dessert-sized basic dinnerware available for your use.

Drinks

All alcohol must be purchased and provided by the wedding organizers. Groups providing alcohol to their guests must obtain a [Special Event Permit from the BC Liquor Distribution Branch](#) in advance. We require a copy of your liquor license or special event permit 30 days prior to your event when deposits are due.

Groups may supply their own bartender for the duration of the group's liquor permit. Bartenders must have a valid [Special Event Server or Serving it Right](#) certificate in order to serve alcohol.

In addition, groups serving alcohol must pay for a Sasamat Site Attendant, as listed above under *Venue Logistics - Additional Fees*.
